

Optional Website Template Personalisation

Bought one of our website templates but would like a little help making it feel like your setting? Choose only the support you need.

Optional Add-ons

Logo & Branding Setup	Add your logo, update the main colour scheme and make the template feel more like your nursery.	£35
Image Replacement	Replace up to 10 existing template images with photos supplied by you, including basic cropping and resizing.	£40
Content Setup	Add your supplied wording and nursery details into up to 5 existing template pages.	£45
Contact & Links Setup	Update your address, phone, email, social media links, map/location and contact details.	£20
Document Uploads	Add supplied PDFs such as menus, prospectuses, policies, newsletters or funding information.	£10 each

Complete Template Personalisation

£135

For settings that want to send us their information and have us personalise the existing template for them.

- Logo and colour scheme updated
- Up to 10 supplied images replaced
- Supplied content added to up to 5 existing template pages
- Contact details, social links and map/location updated
- Final desktop and mobile layout check

What this service covers

These options are for personalising a purchased Little Minds Early Years website template. They do not include redesigning the template, changing the page structure, custom coding, advanced booking systems, full copywriting or other major website development.

Template purchase is separate. Any work outside the options above will be discussed before changes are made.
