

Optional Website Setup & Editing Support

The following optional support services are available for settings who would like help customising their website template. All templates are designed to be easy to edit independently, however additional support is available if preferred.

Optional Support Packages

Support Option	What's Included	Price
Basic Text & Image Update	Updating existing website text with your nursery information and replacing images with your own photos (up to 5 pages).	£75
Logo Placement & Branding Check	Adding your nursery logo, checking spacing, and ensuring branding looks consistent across the site.	£40
Full Content Setup	Updating all website text, replacing all images, adding logo, and basic layout checks to ensure the site is ready to publish.	£125
Additional Changes	Any requests outside the options listed above.	Quoted individually.

Important Information

- These services are **optional** and not required to use the website template
- All support covers **content updates only**
- This service does **not** include redesigns, layout changes, or custom development
- Requests will be completed within an agreed timeframe after receiving all content
- Prices are per website and subject to confirmation before work begins

How to Request Support

If you would like to add any of the support options above, please get in touch before or after purchasing your website template to confirm availability and next steps.

Payment will be requested via invoice once support requirements are confirmed.
